

oluwasegun Awotokun

Adeniran Ogunsanya Street, Lagos, Lagos | 08116950428
oawotokun@gmail.com

Summary

Experienced software engineer with 2 years of experience developing and enhancing existing and new systems, including both client and server-side development.

A creative, goal-driven, intelligent and result-oriented person with good inter- personal and communication

skills. A good team player and quick learner with air for learning new skills and an absolute commitment to the job at hand, I derive joy in providing solutions when a challenge or issue arises. I am a code addict and result-oriented Full-stack developer.

Experience

Oweb dev | Osun State, Ile-ife

Full Stack Engineer | 05/2020 - 11/2021

- Maintained software products including programs, webpages, and databases
- Performed software testing, provided 24/7 support to clients, and developed plans for future software development
- Developed designs to meet specific requirements such as quick-loading sites with particular layouts

Cyclobold School of Software Engineering | Lagos, Lagos

Software Engineer | 12/2021 - Present

- Developing front-end website architecture and back-end applications
- • Designing user interactions on web pages and ensuring responsiveness of the pages
- Consulting with customers to gather requirements and discuss design choices
